## OBJECTIVE

The objective of the report is to inform Council about 2021/22 second quarter implementation of the Supply Chain Management Policy and report to Council about unauthorized, irregular and fruitless and wasteful expenditure incurred.

The incurring of the UIFWE may constitute financial misconduct, and therefore Council may also refer the UIFWE incurred to the Municipal Disciplinary Board for investigation of any potential financial misconduct in line with the Municipal Regulations on Financial Misconduct Procedures and Criminal Proceedings, 2014.
